

## KWV Classic Collection Cape Tawny NV

main variety Tinta Barocca

vintage NV

analysis alc: 17.50 | ph: 3.50 | rs: 128.03 | ta: 5.42

type Fortified

producer KWV Wines

style Sweet

winemaker The Winemaking Team

wine of origin Western Cape

body Full

### tasting notes

Extended wood maturation resulted in a beautiful amber colour with orange zest, dried fruit, caramel and nuttiness on the nose. This full flavoured wine explodes with fruit, marzipan and toffee on the palate, with a well balanced sweet finish.

### blend information

Tinta Barocca, Cinsaut, Souzão

### food suggestions

Serve chilled before a meal or with cheese and chocolates after a meal.

### in the vineyard

**About the area**

South Africa's vineyards are mostly situated in the Western Cape near the coast. This is the southernmost region of the African continent, and has a Mediterranean type climate and diverse soils perfectly suited to quality grape production.

### in the cellar

#### Winemaking

Specially selected grapes were harvested, destemmed and inoculated with yeast. The wine was allowed to ferment until the desired sugar level was reached and then fortified with natural wine spirits to stop the fermentation. The resulting wine was then matured in French oak barrels.

Maturation: 8 - 10 years in a combination of 300 litre and 500 litre French oak barrels.

Varietals: Tinta Barocca + Cinsaut + Souzão.
